

The Group's customers are looking for a mortgage process that is as satisfying as their home buying experience with The Group. Research shows that an affiliated in-house lender partnership is preferred by clients so The Group, Inc. joined Cornerstone Home Lending, Inc. to form Group Mortgage, LLC, a solution for a smooth mortgage process for buyers.\*

Group Mortgage, LLC is the one-stop shop for the homebuyer looking for on-time closings and the service they deserve. With everything in-house it's easy to walk from your buyer consultation to your mortgage originator and get started with your prequalification. This relationship provides close consistent communication and great accountability.

As a Group Mortgage client you will enjoy the convenience of an in-house loan consultant as well as the benefits of local processing, underwriting and funding. Group Mortgage, LLC is fully committed to on-time closings and a streamlined, satisfying home-financing experience. As a Trusted Lending Source, we look forward to serving you!

We have several trusted team members who are prepared to meet your financing needs. Contact your loan officer at any Group location.
